

**LAMBDA CHI ALPHA**

A LIFETIME OF TRUE BROTHERHOOD

January 31, 2022

Dear Good Brothers,

It is our privilege to announce that Lambda Chi Alpha's 59th General Assembly and Stead Leadership Seminar will be held **Thursday, July 28 through Saturday, July 30, 2022**, in Scottsdale, Arizona.

This will mark another amazing opportunity for our Fraternity to come together to share in the Bond of Brotherhood. The gathering will be held at the JW Marriott Scottsdale Camelback Inn Resort & Spa, where you will enjoy luxurious guest rooms, with high-speed wireless Internet access and other amenities such as outdoor pools and a full fitness center.

At this General Assembly, we are putting into effect many of the learnings from our virtual 58th General Assembly in 2021. For example, we plan to do much our legislative work, such as the Alumni Conference and the Legislative Committees, in advance of the Assembly. This will free-up more time at the General Assembly itself for informational and educational programming and for more interaction among our members.

The Grand High Zeta and the Office of Administration are hard at work to offer the best conference possible, from pre-conference registration, to leadership training, to ritualistic education, to fun and energizing activities. We do all this with a focus on the continued growth and renewed hope for the future of Lambda Chi Alpha, while providing you with the opportunity to develop relationships that last a lifetime.

The 59th General Assembly will mark another amazing opportunity for our Fraternity to come together in the Bond of Brotherhood to grow, serve and lead. We will celebrate together, learn together, and govern together as we continue to transform Lambda Chi Alpha into the premier service-learning and leadership development organization in North America.

On behalf of the Grand High Zeta, the Student Advisory Committee and the Office of Administration, we extend this invitation for you to attend our 59th General Assembly. Below are links to important documents related to the Assembly. Please contact the Office of Administration at [headquarters@lambdachi.org](mailto:headquarters@lambdachi.org) with any questions.

With our dynamic new strategic focus, this may be the most important General Assembly since our abolition of pledgship over 50 years ago. Your role in our fraternal bond is vital, and the opportunity for our members to share their experiences with you is paramount. We hope to "see" you in July. Come ready to make a difference for Lambda Chi Alpha! You won't want to miss it!

Yours in ZAX,

Jeffrey A. Stuerman
