

LAMBDA CHI ALPHA

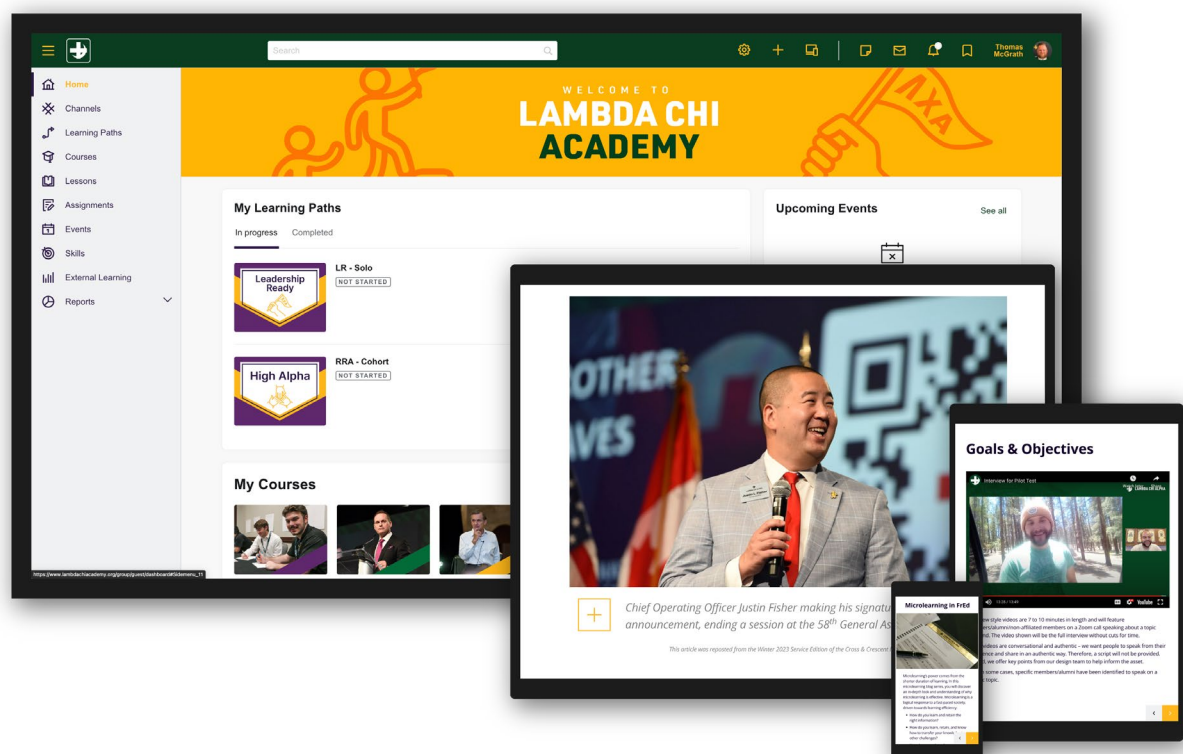

LAMBDA CHI ACADEMY

LIFE READY, LEADERSHIP READY, CAREER READY

From the first days of becoming an Associate Member, through the transition of Active Member to Alumnus, and returning to serve as an Advisor, Lambda Chi Academy is the glue that builds capability. It's new, innovative, and a major leap forward in how we support our Members. And in the Greek world, there is nothing like it!

CENTER OF EXCELLENCE

Lambda Chi Academy is our one stop shop for equipping members and officers with lifelong character and skills. From learning about our values and what it truly means to be a Brother, to developing the skills to lead a team, the Academy offers a host of resources that are bite-size, relevant, and real to life. Offering only what works, the Academy represents the very best in learning.

MULTI-PLATFORM

The Academy surpasses traditional training methods. Brothers will learn when they want, where they want, and how they want across multiple devices. They can learn individually at their own pace; or they can maximize their experience by joining global cohorts to engage in live online sessions and forge connections with Alumni. The choice is theirs.

FUN + COMPETITIVE

Learning should be fun, and that's why Brothers earn points every time they learn. And points mean prizes. From exchanging points for individual merchandise to climbing the leader board and aiming for a Chapter prize, Brothers and Chapters will be rewarded and recognized!

JUST THE BEGINNING

As symbolized by our Crescent, the Academy is ever growing. Over the next 12 months, the number of programs, opportunities, and incentives will increase. But we need your help. If you believe we are missing something or there is an immediate need, please contact learningoutcomes@lambdachi.org. It's your home for learning and we want to get it right.

IDEAL MAN

Ideal Man is a four-year personal and professional skill-building program to maximize the Lambda Chi Alpha membership experience. Focused on developing Brotherhood, competence, and character, its mission is to prepare members for success during and after college.

In September we roll out:

DEVELOPING MYSELF: Through the lens of the Seven Core Values and practical scenarios, Associate Members will discover what it means to be a Lambda Chi.

Throughout the remainder of the year, and 2024 we will roll out three more journeys:

DEVELOPING MY RELATIONSHIPS: From learning how to work in a team to building deep bonds, Members will discover how they connect with others to maximize their Chapter experience.

DEVELOPING MY LEADERSHIP: In learning the fundamentals of leadership and contributing to projects, Brothers will develop the skills employers are looking for.

DEVELOPING MY FUTURE: In harnessing the Lambda Chi network and the opportunities Lambda Chi offers, Members will learn how to give back, and take control of their future.

STEAD LEADERSHIP COLLEGE

Aimed at serving and future Chapter Officers, the College prepares Brothers to be a member of the chapter's management team (High Zeta), builds capability within Chapters, and acts as a bridge between campus and career.

It comprises two learning journeys: Leadership Ready and Role Ready.

1

LEADERSHIP READY: From understanding the role of the leader to learning the skills to motivate and lead a team, Brothers learn what it means to be a member of the High Zeta.

2

ROLE READY: As the title suggests, it's all about mastering the role. In Fall 2023 we are launching Leading Teams (High Alpha), Social Responsibility (High Theta), Recruiting and Sales (High Delta) and Essentials in Finance (High Tau). More are planned for the future, with an early 2024 rollout for Learning and Development (High Kappa).

After successfully completing Leadership Ready and Role Ready, Brothers will receive a digital credential. Brothers can use the credential to showcase their skills and achievements on LinkedIn, improve their resumes, and refer to it when communicating with hiring managers.

ACCESSING THE ACADEMY

All Associate Members, High Alphas (Presidents), High Kappas (Fraternity Educators), and High Pis (Chapter Advisors) will automatically have access granted to the Academy and Ideal Man.

If you are not one of the Officers or Members listed above, your access will look different. To access Lambda Chi Academy, you first need to request access via a [form](#) provided by the Office of Administration. On this form, you can sign up for access to Lambda Chi Academy and request which Stead Leadership College program you would like to participate in. You will also choose whether you would like to participate in a Solo or Social Learning Path. If you change your mind, you can always resubmit the form.

After filling out the form, accessing the Academy is simple: Log onto [LambdaOnline](#) and click into Lambda Chi Academy. Your sign-in credentials for LambdaOnline and Lambda Chi Academy will be the same. Once logged into the Academy, your choice of programs will populate in 'My Courses' on the Academy's 'Home' page.
